D. Gill Logistics, Inc. was founded in 1999 by President, Darrell Gill. Darrell and his team bring over 40 years of experience working in the transportation industry. We offer a wide variety of transportation options to all 50 states, Alaska and Canada. We specialize in multi-axel heavy haul, flatbed, van, reefer, intermodal and export for either local or long distance. We constantly seek to expand our routes and services.

As a family-run company, we place strong emphasis on establishing long term relationships with both our customers and our carriers. Our goal is to build lifelong business partners.
